

Going to Daycare

This is my daycare. I will have lots of fun and make new friends. Mommy or Daddy will drop me off for the day. I will see them later in the afternoon.

When I get to my classroom I will put my things in my cubby.

A virus is going around and I will see my teachers wearing a mask and face coverings. This will help keep everyone healthy and safe.

I can explore so many things in my classroom.
These are just some of the fun activities that I can
play with.

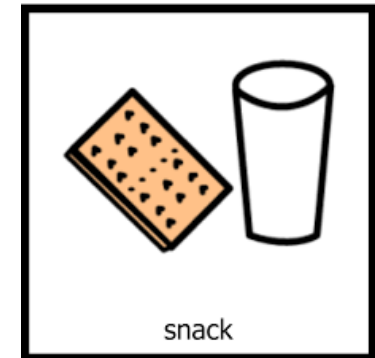

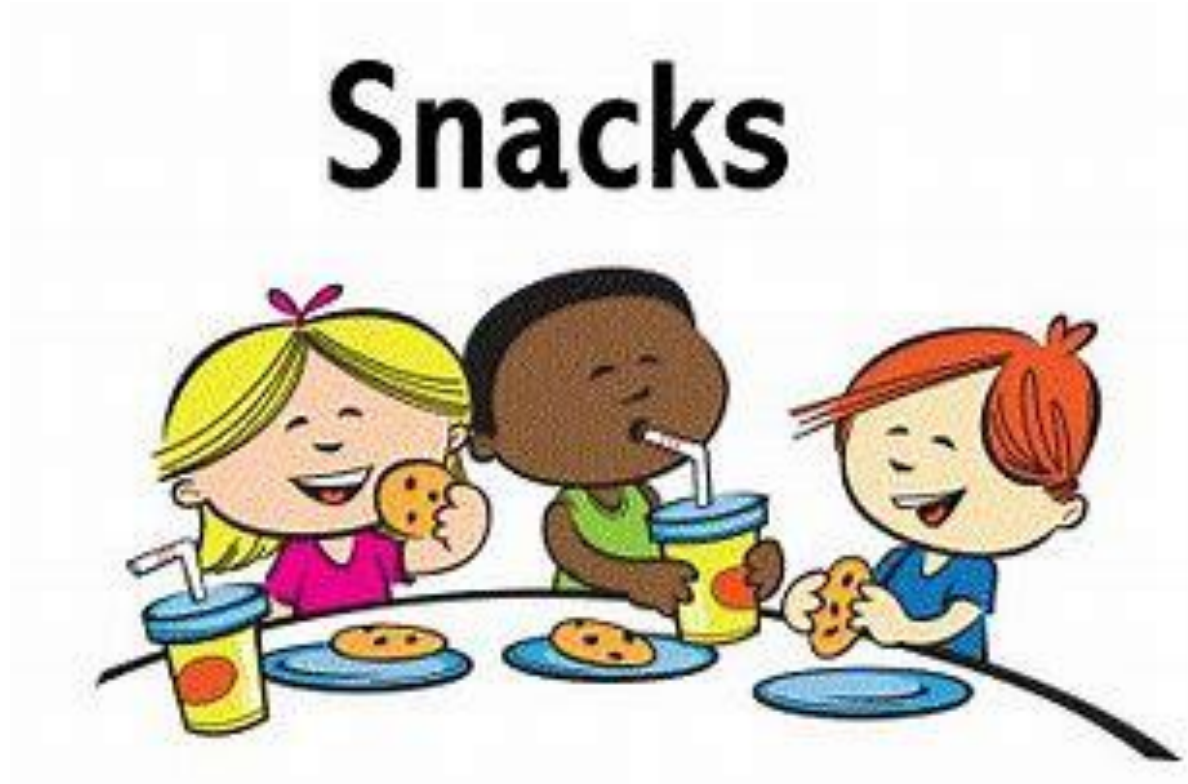

PLAY * LEARN * GROW

This is a fun corner for me to sit and read a book. I like books! 😊

Its snack time! I can play with my toys after
and sometimes go outside.

This is the playground. I will have lots of fun playing outside with my friends. Sometimes we have to stay inside because of the weather. No matter what we do I will always have fun!

Craft time is so much fun. I can colour, paint, glue, and create lots of fun pictures to show my mom and dad.

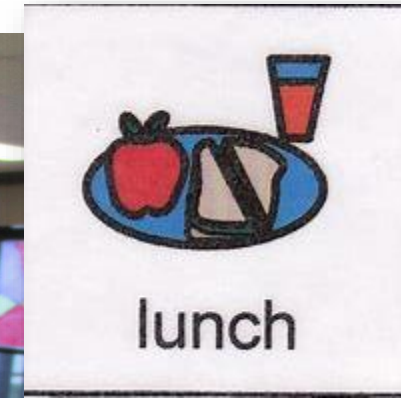

This is the carpet area. I will sit here with my friends for circle time. I like reading stories and singing songs.

It is important to stay safe and healthy at school. I will make sure I wash my hands to help me stay safe and healthy too.

This is where I will sit with my friends for snack and lunch time. Before I eat I need to wash my hands.

This is the bathroom. My teachers will change my diaper and wash my hands.

After lunch time it is time to rest our bodies. I will sleep on my cot with a cozy blanket.

After sleep time I can play with table activities. I like playing with puzzles and other games.

If I feel sad, my teachers will give me a BIG hug!

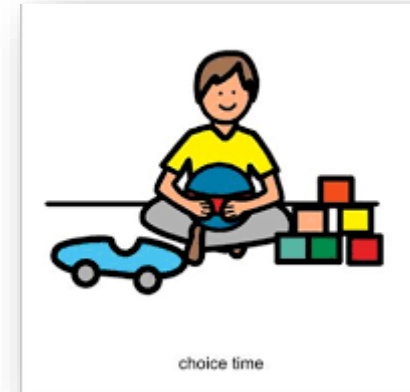

Mom and Dad are busy today. They love me so much and want me to have fun with my friends.
