

Riding the Bus to School

This year, I will start school.

I will ride the bus to school.

I will wait nicely for the bus. When the bus comes to a complete stop, it is safe to get on the bus.

I might have to wait my turn to get on the bus. The steps on the bus can be big. I will walk carefully and quietly onto the bus.

I will find an empty seat to sit in. I might have a bus buddy to sit with me! A bus buddy is one of the big kids who can help me follow the rules and stay safe on the bus.

It is important to follow the rules on the bus to keep everyone safe. These are some of the rules on the bus:

listen

sit on seat

hands in lap

quiet voices

There are no seatbelts on the school bus. I will make sure that I stay in my seat and I will keep my hands in my lap. I will stay in my seat until it is time to get off the bus.

I will always listen to the bus driver.

When the bus get to school, I will wait for it to stop before I stand up. My bus buddy or the bus driver will tell me when it is time to get off the bus.

I will wait my turn to get off the bus. I might not be the first one to get off the bus.

It is important to stay safe by following the rules when I ride the bus. Riding the bus is fun!
