"The Six F-Words of Childhood Development"

This valuable website helps redefine how we think and talk about our child's disability with therapist, doctors, and teachers. It is an expansion of our views in the areas of "Function," "Family," "Fitness," "Fun," "Friends," and "Future." The F-word training provides more of a holistic approach that focuses on the child's strengths and needs versus "fix the child." www.canchild.ca/en/research-in-practice/f-words-in-childhood-disability
