# WELCOME TO
Lambton County

Created by the Sarnia-Lambton Local Immigration Partnership, the Welcome to Lambton app is a user-friendly, helpful guide to support newcomers to Lambton County.

The Welcome to Lambton app provides newcomers with:

- Connections to community programs and settlement services;
- Personalized pre-and post-arrival checklists; and
- Guidance on how to complete important tasks like finding a home, searching for a job, and locating child care.

While supplying easily accessible information on IRCC-funded settlement services, the app will also increase users' awareness of local services, helping them make informed settlement-related decisions; and increase users' awareness of and participation in community and social networks, by providing that information in an easy to navigate format.
