Pathways Health Centre for Children

Pathways Health Centre for Children is a charitable not-for-profit family-centered community agency serving children and youth with physical, developmental and communication needs. Celebrating its 50th anniversary in 2025, the Centre provides a full range of pediatric rehabilitation and support services, largely funded by the Ministry of Children, Community and Social Services. In addition, Pathways offers a therapeutic pool, open to people of all ages and abilities in the community and has a licensed, integrated childcare service on site (C.A.C.H.É.).

Our vision of supporting children, youth and young adults to achieve their potential through effective partnerships aren't just words, we live it every day at Pathways.

We are currently recruiting to replace a permanent full-time:
